PACER PUMP 160 gpm 2" Self Priming Centrifugal Pump

Pump:

- Corrosion resistant polyester for use with Atrazine, Nitrogen, Roundup and many other ag chemicals
- Stainless steel internal fasteners and EPDM elastomers
- Fast suction lifts to 25'
- Maximum pressure 52 psi (120 TDH)
- Maximum flow rate of 160 gpm

Engine:

- 6HP LCT MAXX series overhead valve engine
- Cast iron cylinder sleeve
- Low oil shut-off
- Electronic ignition
- 3 quart fuel tank

#SEB2PLE5.5 \$238.00

PACER PUMP 280 gpm 3" Self Priming Centrifugal Pump

Pump:

- Corrosion resistant polyester for use with Atrazine, Nitrogen, Roundup and many other ag chemicals
- Stainless steel internal fasteners and EPDM elastomers
- Fast suction lifts to 25'
- Maximum pressure 36 psi (85 TDH)
- Maximum flow rate of 280 gpm

Engine:

- 6.5HP B&S Vanguard commercial engine
- 2 Year commercial engine warranty
- Low oil shut-off
- Electronic ignition

#SE3SLE6CP \$399.00
